Message from the President

Welcome to the 2019/2020 hockey season and to the Southwest KC hockey family.

This year is shaping up to be a game changer! We're introducing lots of exciting changes this year....some of which you've already seen!! We've enhanced our program to include more targeted player development both on and off the ice, a welcome package for each player, more coaching developments and practice aids....and some really fun events to participate in.

Building upon the feedback we received from the survey sent out to all parents in January, we're focusing on more timely and quality communications. We've also included an additional fee at registration time to cover the costs of club-level fundraisingso rest assured, there will be no further requests for funds or cash calls at the club-level for the rest of the season!

Our club, along with other KC hockey clubs across the City, is also working much more closely and proactively with KC Edmonton to take a stronger unified approach to get the message out to all our current and future member families about what KC Hockey is all about. Many people don't know that collectively, KC Edmonton has the most registered minor hockey players, we have a history and tradition of hockey dating back to 1959 in Edmonton, we offer rep level programs for players wanting to try and take it the next level and we reward minor hockey players with a graduation banquet and ring for continuing with KC Hockey for their minor hockey journey. There's also a natural progression after Pee Wee to KC Bantam hockey teams. Starting right now, you'll be hearing advertisements and marketing on billboards, social media, and radio stations encouraging parents and kids to play KC Hockey in Edmonton!

We've got a lot of new faces on the Board of Directors, and some vacancies still left to be filled. With that, there are more fresh ideas and more energy to help make this the best hockey experience it can be for kids and parents alike. Have fun out there....get involved and enjoy the game!

Best regards,
Rob Kantypowicz

Summer Development & Conditioning Camp

We had another successful Summer Development & Conditioning Camp!

The players worked hard and had a lot of fun getting ready for the season. The camp focused on conditioning, and skill development on core elements hockey (Passing, Shooting, Skating, and Stickhandling) providing each player the opportunity to improve their level of play!

Thanks to all the players, families, and coaches for an awesome camp!

Evaluations

Now that evaluations are completed, each team will be focused on preparing for the start of the season. Thanks to everyone for your support in making the new process for this year so smooth. Enjoy a few pictures of the players demonstrating their skill for the evaluators!

Volunteer Commitment Options

Southwest KC Minor Hockey Association (SWKC) is a volunteer-run organization, and as such, it depends on the volunteer assistance of its members to function successfully.

Please choose the positions, as many as possible, you would like to volunteer for and the association will confirm your volunteer position by email.

[CLICK HERE](#) to complete your volunteer commitment form.

Each family will need to accumulate at least 10 credits this year to fulfill the volunteer commitment.

If you have any question, please contact Jane JI, at volunteerdir@southwestkc.ca.
